

The People's Assembly, convening on the 31st of March 2021 under the 47th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to revoke all previous fly-motions (eg. the ones about the plugin or allowed areas). This because there are a lot of conflicting motions and PA verdicts on this, and it should be solved by yeeting it all.

And proceeds.

Signed by,
yoran

[Motion 47-1: To revoke the flying motions]
