

# The People's Assembly, convening on the 30th of May 2023 under the 30th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to make the nether functional for travel and nice.

To have at least one main tunnel (north-south, can also add one east-west) that is big enough for flying with a somewhat standardized design that we vote on. Everyone can connect their portal to the main tunnel.

And proceeds.
