

# The People's Assembly, convening on the 9th of March 2021 under the 45th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to:

1. Recognise the birthday of Rosa Luxemburg (5th of March), reason to be declared later by @RedPanda\_4
2. Recognise the death of Joseph Stalin (9th of March, 1953)
3. Recognise the death of Franklin Delano Roosevelt (FDR) (30th of April, 1945), this because FDR has a legacy of being a defining figure of American Liberalism with his economic plan of the New Deal and the WPA (Works Progress Administration). But also becoming a famous president of the United States during wartime of WW2.

And proceeds.
