

The People's Assembly, convening on the 7th of December 2022 under the 26th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to declare the lake around -1300x, -2700z as protected world heritage site. The border will reach from the seashore in the north to -2600z in the south (see rough outline in appendix A).

The "Lake Deep" - as it will be known - can serve as free hunting ground for players to kill Drowned mobs. It will also be integrated into the nether portal system.

And proceeds.
