

The People's Assembly, convening on the 3rd of February 2021 under the 40th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to remove the bigger phantoms datapack as it is annoying and hard to reduce the amount of phantoms because of multiplayer sleep, in addition to this, to decrease the amount of people needed to sleep to 25%.

And proceeds.

Signed by,
ChairmanSteven
