

The People's Assembly, convening on the 30th of May 2023 under the 30th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to revoke Motion 19-1: To get a discord bot to automatically add the voting emojis. This because in practice it's annoying when counting votes, it's slow and it doesn't achieve it's goal (if the votes are 1-2-1 it's quite obvious hence its goal is annulled).

And proceeds.
