

The People's Assembly, convening on the 31st of May 2022 under the 16th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to reform the CotS in the following way:

1. By establishing an advisory council (aka ACotCotS) initially having Solar_Porpoise as member.
2. The functions of the ACotCotS are to be as follows:
 - a. To participate in the debates and discussions of the CotS.
 - b. To advise on anything the CotS wants and whenever the CotS wants.
 - c. To rapidly respond to inquiries from the CotS.
 - d. To break ties proposed by the CotS. The council here will vote on its stance and that stance will be used as tiebreaker. If it is unable to be used to break a tie or the council itself is tied then the issue will be deliberated on until this situation is resolved.

And proceeds.
