

The People's Assembly, convening on the 30th of September 2025 under the 48th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to amend the nether regulations as follows:

M31-1: removing the netherroof requirement and declaring the design of the existing tunnels as appropriate, canceling the design contest. The main tunnel and its connectivity to other portals are to become a regulation.

O-M23-1: making the mentioned regulations advisory and removing the just below the netherroof requirement.

M14-2: revoking it fully.

And proceeds.
