

# The People's Assembly, convening on the 7th of December 2021 under the 4th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to skip all meetings on solstices, including the meetings in the week of the solstice unless it is closer to the next meeting (f.e. on a Sunday where the meeting is on a Tuesday, it is connected to that Tuesday).

This should not apply to extraordinary meetings.

And proceeds.
