

The People's Assembly, convening on the 14th of June 2022 under the 18th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to recognize my region as an independent nation with Roxxagon as the ~~head-oligarch~~ president, that being the Corpornation of Pluter. This new nation would be located in the desert at the end of the river south of spawn. We aim to create a brand new type of body politic where all who are worthy are free to pursue their entrepreneurial and spiritual needs, driven by the ideals of our great philosophical fathers such as Aiden Rande, Cindy Pinkerton, and Oliver Garch.

And proceeds.
