

The People's Assembly, convening on the 23rd of February 2021 under the 43rd PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to re-re-schedule the meeting imposed by M24-3 (Motion 24-3: To normalise relationships, currently there are a lot of relationships between communities which are assymetric (eg. one thinks its friendly the other hostile). We should normalise these and hold a roundatable to improve overall relations and solve disputes), because it still hasn't happened.

And proceeds.
