

# The People's Assembly, convening on the 18th of August 2020 under the 20th PA Meeting.

The Assembly, recognising the current situation,

Constituted the need to have a vote on the nether situation in advance for the 1.16 update.

The vote to be decisive on one of the following two options:

“Fully resetting the nether”; or

“Keeping the centre of the nether and resetting further out”.

The latter to be defined by the TC nearing the update.

And proceeds.
