

# The People's Assembly, convening on the 20th of January 2021 under the 38th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to amend the procedure to call for an International High Court session, namely to be: "In order to call for an IHC, the majority of representatives in the PA must be in favor." rather than the majority of all voting representatives.

This to ensure the IHC is only used for truly heinous crimes.

And proceeds.
