

The People's Assembly, convening on the 29th of June 2021 under the 55th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to reform nation upkeep in the following ways:

1. Turn nation bankruptcy off, it was decided it should be on in a previous motion but has since been found to not exist. This is a formality.
2. Turn town bankruptcy on, when towns are out of money instead of being deleted they get severely limited.
3. The CotS should decide the amount nation upkeep to be between 50-200, changing whenever the CotS sees fit.

And proceeds.
