

The People's Assembly, convening on the 9th of March 2021 under the 45th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to create a special council to rule Osbos, this to help organise it better and help it in its development. This council is to be made up of people by the following process:

1. People who believe they have contributed to Osbos and its development can apply to the CotS
2. The CotS considers if they have contributed to Osbos and its development enough
3. If so the applicant may be accepted and can join the council
4. The CotS may remove people from the Council if it is deemed necessary for the tasks of the CotS
5. The CotS may block resolutions enacted by the council if they are not fit for general legislative institution

And proceeds.
