

The People's Assembly, convening on the 13th of July 2021 under the 56th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to allow motions to be put in whenever, including in the meeting and to be discussed and voted on in the nearest or current meeting. Discussing motions often leads to new motions or ideas and its unnecessary to wait 2 weeks for them to be implemented - besides the few hours before the meeting rule doesn't do that much.

And proceeds.
