

The People's Assembly, convening on the 1st of March 2022 under the 8th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to amend the server court in the following ways to create a fairer system:

1. CotS can directly appeal to the SC and skip making a decision themselves
2. There is to be a limited time (2 weeks) to call to convene the SC
3. Malicious intent would have to be involved

And proceeds.
