

# The People's Assembly, convening on the 25th of August 2020 under the 21st PA Meeting.

The Assembly, recognising the current situation,

Constitutes a need to amend the 2nd rule, specifically “1-man communities count towards the Azuristani community for the "majority of communities need".” to include an exception for historical communities:

1. The founding PA members (CLM, Argos, Liberdade, AR Porpoistan, \*C\*C\*C\*)
2. Any multi building structures that were never clearly part of Osbos, created before the founding of the PA, and accepted by the PA as such

And proceeds.
