

The People's Assembly, convening on the 18th of August 2020 under the 20th PA Meeting.

The Assembly, recognising the current situation,

Constituting that less than 20% is able to block a motion from passing in the PA (4 out of 22 delegates) through the 50%+1 community need;

And makes all 1-man communities unite under the Azuristani community for community need* in voting, with exception for the communities created and recognised before 1/1/2020.

And proceeds.

*They still keep their separate votes, these are not united in one community

[Motion as: 20-14: "To improve the 50%+1 community need, as now 4 out of 22 delegates can block a motion"]
