

The People's Assembly, convening on the 29th of June 2021 under the 55th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to hold a vote on the essentials warp feature. Essentials give the ability to easily implement warps and they were used in the old GeoEarthMC server which we ported a bunch of stuff from, so it should be up to the PA to consider it again.

And proceeds.
