

The People's Assembly, convening on the 4th of November 2025 under the 51st PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to implement the following modifications of the universal dyeing and back to wool crafting tweaks:

- To be the same as other dyeing (8 blocks + 1 dye -> 8 blocks dyed) instead of 1 wool + 1 dye -> 1 dyed wool (also remove the recipe of 1 wool + 1 dye -> 1 dyed wool);
- Adds back to wool, to make carpets (2 wool's -> 3 carpets) and the reverse recipe (3 carpets -> 2 wool's) [the recipe doesn't have shape].

Datapack is attachment RedPanda_Wool.zip.

And proceeds.
