

The People's Assembly, convening on the 11th of November 2025 under the 52nd PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to recognize Liberdade with head representative RedPanda_4 and it's color being light blue. RedPanda_4 will continue to be the mayor of Osbos but his vote will be counted for Liberdade.

The island the PA is on will be co-managed by Osbos and Liberdade. This motion forbids Liberdade from expanding the co-management of Osbos or lay any claims on Osbos in the future, except relating to PA infrastructure

This as I want to continue to develop the PA but have the island be in my name, as M49-2 is not yet enacted.

And proceeds.

Signed by,
RedPanda_4
