

# The People's Assembly, convening on the 10th of February 2026 under the 59th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to enable stackable drinkable filled bottles, and calls upon Lunar\_Lunatic\_ to graciously implement this. This because the current situation is annoying as hell.

And proceeds.

Signed by,  
Nicotinhoo

[Motion 59-1: To enable stackable drinkable filled bottles]
