

11/11/2025 Leader of the Council of the Server letter to the Council of the Server, People's Assembly  
Information: P3C5T

To hereby inform the Council of the Server, People's Assembly,  
Member of the CotS Eldegren and I, LoCotS, have removed the following blocks from the more effective tools datapack: beacon, glowstone, redstone\_lamp, sea\_lantern.  
This because the datapack allows for near-instant breaking and this is unbalanced.
