

# The People's Assembly, convening on the 10th of February 2026 under the 59th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to formally condemn the dirty drug manufacturing industry in New Kowloon. This because the dirty drug trade creates a new threat to world peace as these drugs enter our communities. Let us not forget who we are. Dirty drug trade is a repudiation of everything Azuria is.

And proceeds.
