

# The People's Assembly, convening on the 9th of December 2025 under the 55th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to organise an IHC, having RedPanda\_4 as defendant and Emeraldal Islands as victim, as the new PA station has encroached on the existing EIRAF base and RedPanda\_4 has attempted to forcefully displace it by intentionally placing the PA station in this location, requiring the destruction of the base and threatening to kill the dogs. This whilst the PA station could simply be constructed a little bit away.

And proceeds.
