The People's Assembly, convening on the 16th of December 2025 under the 56th PA Meeting.

The Assembly, recognising the current situation,

Constitutes the need to remove the unused region files, in order to regenerate the world using the latest world generation and free up disk space.
A map of to-be-removed region files can be found here:
https://drive.google.com/file/d/17OSxkreIX1y3QknJNKFrBN10nEkhTz8u/view?usp=drive_link.
The regions marked in red will be kept, the rest deleted.

If this motion passes the CotS will first organize more time for people to request region files to be saved if any with content have been missed.

And proceeds.
